MEMORANDUM FOR: Deputy Director for Science and Technology
ATTENTION : [REDACTED] 25X1A
SUBJECT : Annual Report for the President's Foreign
Intelligence Advisory Board
REFERENCE : Memo to DDS&T Offices from DDS&T, TS#194713,
dated 5 July 1967, same subject

25X1A

25X1A 1. Confirming discussion between [REDACTED]
[REDACTED] it has been the practice of the D/NRO to
furnish a report to the PFIAB covering the activities of
OSP which are NRO funded. Since all of our activities
fall under this category, we have been exempted in the past
by the DDS&T from providing inputs to the subject report.
We do, however, make such contributions to the NRO and
they are included in its PFIAB report.

2. We are assuming the same set of circumstances
applies with respect to this year's report and, therefore,
do not contemplate furnishing a separate report as requested
in reference memorandum. Please advise if this is not
consistent with your current thinking or if we may provide
additional information.
